Meeting tools plan STATU.S. News and World Report Participants

Joe Fromm - Deputy Editor (International
Relations/Security Affairs)

Bill Bryant - Deputy Editor (Economics)

George Jones - Deputy Editor (National and
Sociological Affairs/
International Relations)

Gerson Yalowitz - "Worldgram" Editor

Nizar Jwaideh - Diplomatic Editor (Mr. Fromm
said Jwaideh is very tentative,
that above four would probably
suffice)

Mr. Fromm wonders whether Mr. Bowie would mind
being photographed by a U.S. News photographer
greeting U.S. News participants as they enter
the building the day of the actual interview.
I told him that Mr. Hetu would check with
Mr. Bowie and would get back to him.
Mr. Fromm was very pleased that Mr. Bowie
would be participating.
